

Tequipment's SMART Table & SMART Response LE Demo

Experience the **SMART Table**: the world's first interactive table for primary education. The innovative design enables several students to work and explore on the display at once. Learn how the SMART Table is used to create activities and how it engages your students. You will have the opportunity to learn how to use the SMART Table, the Table Toolkit software, and resources available to enhance and support your current educational content.

Gain accurate and immediate insight into student understanding for learners in early education or those with special needs. **SMART Response LE interactive response system** is simply designed and colorful, and it integrates with SMART Notebook collaborative learning software.

Administrators, general education teachers, special education teachers, and technology teachers are welcome. The event will be held on Thursday, February 4, from 9:30am-11:30am at PS 7K. **Breakfast will be provided.**

PS 7K Abraham Lincoln
858 Jamaica Ave
Brooklyn, NY 11208
9:30am-11:30am

RSVP to Lany by February 1 via email at lany@tequipment.com or call (631) 247-0260.

It's all about learning.
