

A group of children are standing in a gymnasium, interacting with a large digital screen. The screen displays a colorful, stylized forest scene with a character wearing a hat and a red shirt. The gymnasium has a blue and purple lighting scheme, and the ceiling features a complex metal structure with various lights. The children are dressed in casual clothing, and the overall atmosphere is educational and interactive.

Lü®

Use of Title I Funds

FOR LÜ PRODUCTS

Title I funds in the United States are designed to improve educational outcomes for students from low-income families. Lü offers a dynamic and immersive learning environment that aligns with the objectives of Title I programs.

This one-pager outlines how to utilize Title I funds to justify the purchase of Lü products in U.S. educational settings.

Alignment with Title I

Engagement and Inclusivity

Lü systems create an engaging and inclusive space, ensuring that all students are actively involved in physical, intellectual, and social-emotional learning, addressing the achievement gap.

Educational Objectives

Lü systems cover a variety of subjects, promoting academic achievement in areas such as physical education, mathematics, languages, and geography.

Equity and Access

Lü systems provide equitable access to high-quality educational experiences, contributing to the central goal of Title I to eliminate disparities.

Integration with Curriculum

Lü systems align with educational objectives and 21st-century competencies such as collaboration, communication skills, and perseverance, enhancing the curriculum and teaching methods in Title I schools.

Social-Emotional Learning

Lü systems support students' social and emotional development, which are crucial for academic success, mental wellness, healthy relationships, and positive lifetime outcomes.

Educational Content

Lü facilitates the delivery of educational content across various academic subjects like math, literacy, arts, and science, making it particularly valuable in Title I schools.

Lü offers an innovative solution that aligns with the goals of Title I in the United States. Utilizing Title I funds to purchase a Lü system can significantly enhance educational opportunities, academic achievement, and social-emotional development for students from low-income backgrounds nationwide.
